Istria, Poreč area

A beautiful 290m² family house for sale with a swimming pool in a quiet location at the edge of the forest.

The house is located on a plot of 655m², surrounded by a stone wall and a fence.

Beautifully landscaped garden, 24m² swimming pool, in addition to a garden fireplace with canopy where there is a table for 6-8 people, fenced parking for 5 cars and one covered area for 1 car.

The house has three floors, which are divided into:

1) basement - furnished tavern of about 40 m², there is also a boiler room, and an area under the pool where all pool equipment is located and easily accessible.

2) ground floor of the house (size 118m²) there is a large apartment with 2 bedrooms, 2 bathrooms, wardrobe, kitchen with dining room, living room with fireplace and exit to the terrace that has communication with the pool. A large, practical wall closet is installed in the hallway. From the fireplace in the living room, heating pipes (exhausting warm air) were passed through all the rooms in the apartment. The water is heated using solar panels.

3) floor (118m²) where two more apartments are located.

One one-bedroom and one two-bedroom apartment, each of which has its own terrace.

The first phase of classic central heating was implemented throughout the house and all apartments are air-conditioned.

A very nice property, suitable for living, and also interesting as an investment.

The two apartments on the first floor are rented out during the summer, but there is also great interest from clients in renting the house as a whole.
