Istria, Porec

This new semi-detached house with 2 residential units, each with 126 m2 of living space and 150 m2 of yard, is located just 4 km from the center of Poreč and 2 km from the well-maintained beaches.

Both houses have an identical layout divided into 3 floors.

On the ground floor there is a living room with a kitchen and dining room, a bathroom and a storage room.

From the living room you can access the yard, where there is a covered summer kitchen with a fireplace intended for summer barbecues and socializing.

On the 1st floor we have 2 bedrooms and a bathroom.

The 2nd floor is reserved for the master bedroom with its own bathroom and a terrace with a beautiful view of the vineyards/olive groves and the sea. A truly fantastic view from the terrace enables daily romantic sunsets along the sea horizon.

The houses will be equipped with electric underfloor heating and air conditioning for summer cooling.

The completion of all works is expected by the summer of 2024.
