In the vicinity of Poreč, in a quiet location, there is this smaller building with a total of five apartments.

The apartment on the first floor of 68 m² consists of an entrance hall, two bedrooms, one bathroom, kitchen and dining room, and a living room with access to a terrace with a view of nature.

Underfloor heating and air conditioning will be installed, which will also serve for cooling in the summer.

Due to the exceptional position of the building, this apartment is an ideal solution to the housing issue as well as an investment in tourism for the purpose of renting.
