In a small quiet place, only 7 kilometers from Poreč and 600 meters from the sea, there is a Residence with exclusive apartments. A luxurious new building with 8 apartments and an elevator was built and equipped with the highest quality materials.

This is a place worth getting to know, the home of fishermen and olive growers, known for its hospitality and tradition of preserving old customs. It is also known for its olive oil and Istrian wine, surrounded by forests and olive groves. Just a kilometer away are all the necessary facilities such as shopping centers, post office, bank, kindergarten, school.

Penthouse for sale, size 211.82 m², consisting of a spacious living room, kitchen with dining room, 3 bedrooms with private bathrooms (the main one has a wardrobe), hallway, pantry, laundry room and guest toilet. The master bathroom has a sauna.

The biggest advantage of this penthouse is the large terrace that stretches along the entire apartment, with an area of

140 m², from which there is an enchanting panoramic view of the clear sea and greenery. On the terrace there is a dining room, a lounge and a wellness area with a jacuzzi.

Floor heating is installed in the entire apartment, and cooling is provided by Mitsubishi air conditioners.

The external aluminum carpentry is from the brand Schuco and the internal from the leading European manufacturer Garofoli. The floors are wood-multilayer parquet suitable for underfloor heating, and the bathrooms have first-class ceramics and Catalano sanitary ware.
