Istria, Porec

This building with 4 residential units is located in an excellent location near beautiful beaches and not far from the center of Poreč.

This luxurious penthouse with a separate entrance consists of an open living area where there is a kitchen with a dining area and a spacious living room. Through the hall we reach the bathroom and 2 large bedrooms. The entire living area is glazed and brings in a large amount of sunlight. From the living room and one bedroom there is access to a covered terrace. We climb the stairs to the roof terrace of 38.58 m², which offers a 180° panoramic view of the sea and the city. On the roof, all the installations for setting up a summer kitchen and jacuzzi are provided to complete the perfect summer enjoyment. There is a storage room on the outside of the apartment.

The apartment has a parking lot in the yard of the building.

Underfloor heating will be installed throughout the apartment, and each room will have a separate air conditioner.

All floors will be covered with quality parquet and ceramic tiles. The carpentry is PVC with built-in electric blinds.

The bathrooms will be fully equipped with top quality sanitary ware.

The apartments will be ready for occupancy at the beginning of 2024.
