The terrace offers a panoramic view of the sea that will not leave anyone indifferent.

With a beautiful view on the terrace, it is planned to install a jacuzzi, a summer kitchen and a pergola for additional protection from the sun, which complete this perfect ambience.

The apartment has 2 parking spaces in the yard, which will be connected by a path to a separate entrance that will be used only by this apartment, giving the new owners privacy and peace and separation from other tenants of this phenomenal building.

A storage room in the basement with an area of

20.94 m² also belongs to this apartment.

The entire apartment will have underfloor heating on a heat pump and the first phase for air conditioning.

Construction materials will be of exceptional quality, which is known for this respected investor and his already completed projects.

The floors in the apartment will be covered with high-quality parquet, except for the floors in the bathrooms and the kitchen, where top quality ceramics will be installed.

The planned completion of construction is targeted for the 4th month of 2024.

A rare and excellent location in a new settlement with a beautiful ambience and the content and comfort offered by this property are an ideal investment for everyone.
