For sale are elite apartments in a new residential area only 800 meters from the beautiful beaches and 2000 meters from the historic center of the city. It is a multi-apartment building with a total of 30 elite apartments. We offer apartment A001 on the ground floor, with two bedrooms, guest toilet, bathroom, kitchen, dining room, living room and terrace. All apartments on the higher floors will have a view of the sea, the city of Poreč and the Mediterranean landscape.

In cooperation with the design studio, the interior of the building was designed with a luxuriously designed corridor area, a modernist elevator and an impressive entrance to the building with a futuristically designed garage. The building will be equipped with an elevator with an entrance station in the garage to each floor. The exterior and interior decoration of the building and apartments will meet high construction quality criteria as well as a high energy certificate A+: thermal facade system, storey heating and cooling system with inverter air conditioners in the living area of

the apartment and all rooms, top quality Italian ceramics and first-class laminates, entrance anti-burglary doors with coded keys, carpentry of high-quality PVC/ALU profiles with double IZO glass, electric underfloor heating in the bathrooms. Mediterranean plants and trees will be planted in the surroundings of the building, which will raise the entire project to a higher level of horticultural decoration of this ultimate residence for future buyers.

The project is expected to be completed in December 2024.
