Istria, Poreč - 500m from the sea!!!

This new luxury penthouse with a view of the sea and the old town of Poreč is for sale in a new building with an elevator and a garage of 253m2.

The apartment will consist of a large open living room, kitchen, dining room, 5 bedrooms and 5 bathrooms.

One of the greatest advantages and qualities of this apartment is its location only 500 meters from the sea, so you can walk to the beach.

The quality of construction and the availability of all kinds of contents necessary for a quality family life are the elements that will decorate the apartments in this urban villa with only 5 apartments.

The apartment will have its own measurement of water, electricity and gas consumption. The predicted peak power for is 11.5 kw

HEATING:

The apartment will have independent gas underfloor heating with hot water preparation via a gas boiler. Each room will have room thermostats to regulate the temperature in the room.

A wood-burning fireplace will be installed in the apartment.
