Price : 351.000 €

Istria, Porec

Land of 3900m² for sale.

Surrounded by beautiful nature, beautiful holiday homes, this land can become a perfect opportunity to build luxury holiday villas or a family home in a unique location.

The land has a regular shape and flat surface with infrastructure (electricity, water, sewage) not far from its edge.

Such perfect locations simply do not exist anymore, and the opportunity offered to the future owner and investor is truly unique.

Feel free to contact us for any additional information.
