Istria, Momjan

In the vicinity of the town of Buja, not far from the beautiful Istrian town of Momjana, there is this autochthonous designer stone villa with a swimming pool. This house is located on an impressive plot of land of 15,000 m2 in total, which provides the future owners with unlimited peace and an idyllic vacation and enjoyment of beautiful nature.

The villa consists of 2 floors that are fantastically decorated and designed with modern architecture that suits this type of building with lots of Istrian details.

On the ground floor we have an open space concept with a diverse structure of regular and irregular lines that include the living room and kitchen with a large light opening in the form of a longitudinal window and a hanging fireplace as truly impressive details.

From the living room there is access to the terrace and sunbathing area around the pool, which is partially covered and connected to the summer kitchen.

Upstairs, we have an open bedroom designed by designer with its own modern style bathroom.

The house is sold fully equipped and furnished with the finest furniture with a designer stamp.
