Istria, Poreč - surroundings

An attractive building plot for sale in a small Istrian town near Poreč with a total area of

10,936m2.

This large plot of land is the last building plot for sale and is located on a slightly elevated part of the town with an open view of the old part of the city and the sea.

All necessary infrastructure necessary for construction is located next to the plot.

The land consists of several parcels on which construction is permitted, perfect for building villas with a swimming pool.

This attractive land is an ideal investment for investors who want to build more vacation villas in a great location with a beautiful view.
