Building size :	0 m ²
Lot size :	741 m ²
Distance from center :	4000 m
Distance from sea :	4000 m

Price : 163.000 €

Istria, Poreč,

This building plot with a project is located in a quiet place in the suburbs of Poreč, 4 km from the sea and the city.

The land is located on the edge of the village and its square footage is 741 m² and has a regular shape. The price of the land includes a building permit for a prefabricated building with a project and paid utilities

The project is for a prefabricated family house with a swimming pool. The surface of the house is 182.48 m² and extends over two floors. The ground floor consists of an open-plan kitchen, dining room and living room, two bedrooms with their own bathrooms, a laundry room and a toilet. On the upper floor there are two more bedrooms with bathrooms, a sauna and a spacious terrace.

The property is included in the VAT system and the price with VAT is displayed.

All necessary facilities for life and beautiful beaches are located a few minutes' drive away, making this property an ideal investment opportunity either for tourist purposes or for building a house for family needs.
