This building plot is located in a picturesque Istrian town, only 20 km from the picturesque town of Poreč and 15 km from the coast of the Adriatic Sea. Surrounded by nature and away from the hustle and bustle of the city, this is the ideal place to build your own villa.

All the necessary facilities for everyday life are close at hand - shops, restaurants and other amenities are only 2 km away, which provides convenience without losing the intimacy of this remote corner.

The land of 979 m² is located on a gentle slope, offering a flawless view of the blue Adriatic Sea. This area offers an ideal space to build a villa, including the possibility of creating a private pool or spacious gardens.

Best of all, all the necessary infrastructure is already available right down to the ground, making the construction process easier and allowing you to anchor quickly in your new home.
