Istria, Poreč and the surrounding area

Only a few minutes' drive from the center of Poreč and beautiful beaches is this extremely high-quality and modern house with a swimming pool of 145 m2.

The house will be built with energy-saving materials that will enable reduced energy consumption.

The concept of the house is extremely innovative and will spread over 2 floors with interesting contents.

On the ground floor, there will be an open space living room with a dining room and a kitchen, from which you will be able to directly enter the heated swimming pool, which will be partially covered with a wooden pergola and surrounded by two covered terraces and a sunbathing area. On this floor, there is a master bedroom with its own bathroom and dressing room, a laundry room, a guest toilet and a boiler room on the outside. Upstairs we have 2 bedrooms with their own bathrooms and covered terraces, and another large terrace intended for placing a Jacuzzi and another sunbathing area for undisturbed enjoyment and absorption of the sun's rays.

Underfloor heating will be installed throughout the house along with air conditioners for cooling all rooms.

Covered parking space for 2 cars will be located in the driveway.
