This luxurious villa, located in the idyllic western part of Istria, is an ideal escape from the hectic everyday life. With a unique modern design, authentic stone parts and wooden elements, this villa fits perfectly into the natural environment.

The property consists of a ground floor and an upper floor, with a total area of

306 m2, and covered terraces of the ground floor of 70 m2 and uncovered terraces of 82 m2, with a heated pool of 50 m2 and a fire pit of 10 m2. Four spacious bedrooms with en-suite bathrooms offer sea views, while the large living room opens onto the dining room, kitchen and billiards area.

The perfect combination of style and functionality is achieved through modern lines and shapes that elegantly blend tradition and innovation. Large glass walls illuminate the space with abundant natural light, creating a feeling of spaciousness and harmonizing the interior with the surrounding environment.

The special feature of the villa is reflected in the openings on the roof, providing a unique opportunity to experience freedom and connection with the atmosphere. An infinity pool with a transparent glass wall creates the illusion of merging the water with the sky or the sea in the distance. There is a fire pit next to the pool, providing warmth and a romantic atmosphere.

In the evening, the flash of flame reflects off the glass wall of the pool,
