We climb upstairs via an external staircase and reach the largest apartment with an area of

103.65 m², which consists of an entrance area and a hallway, a large kitchen with a dining room and a living room with access to a covered terrace overlooking the courtyard of the house.

There are also 3 bedrooms, 2 of which has its own terrace with a sea view, 2 bathrooms and a separate toilet.

The entire house is equipped with certified gas central heating with a storage tank in the yard and air conditioners in all units for additional heating and summer cooling.

In the yard there is a fireplace for grilling and another covered area for pleasant gatherings, and the rest of the yard is large enough to build a swimming pool.

The parking lot is covered and can be expanded for more vehicles if needed.

This interesting market opportunity offers a well-established tourist rental business or the perfect oasis of peace for a larger family with multiple separate units.
