Istria, Poreč

Near the town of Poreč, in a beautiful and peaceful location, this modern low-energy house with a swimming pool is situated, with a total area of 160 m².

On the ground floor, there is a spacious and well-lit open-plan living room connected to the kitchen and dining area, one children's bedroom, a bathroom, and a utility room with a separate external entrance. Large glass walls lead to a terrace connected to the swimming pool and a covered summer kitchen. In the covered outdoor area, there is also a sauna, ideal for relaxation and enjoyment.

On the first floor, there are two bedrooms, each with its own bathroom, an additional storage room and a laundry room, as well as access to a spacious shared terrace overlooking nature.

A special feature of this property is the beautifully landscaped garden with various Mediterranean plants and a barbecue area, perfect for socializing and outdoor enjoyment.

This highly energy-efficient house, with an impressive 35 cm insulation, is equipped with air conditioning units in all rooms, used for both heating and cooling, ensuring a comfortable temperature throughout the year.

Parking for two vehicles is located in the courtyard at the front of the house.

The house is sold fully equipped and furnished with custom-made designer furniture, emphasizing its quality, functionality, and modern style.
