Istria, Poreč area

In the vicinity of the city of Poreč in a beautiful tourist town, this new modern building with an elevator is located just 700m from the well-maintained beaches.

Apartment "C1" is located on the 1st floor of this excellent building "V2" and consists of an entrance hall, bedroom with private balcony, bathroom, utility room, kitchen with dining area and living room also with access to a balcony that is covered, and ideal for soaking up the summer sun.

Heating/cooling is via air conditioning, while the bathroom has electric underfloor heating.

The apartment has a parking space in front of the building.

The first well-maintained beaches are only 700m away, which can be reached on foot or by bicycle.

All necessary facilities for everyday life are located in the immediate vicinity of the apartment (shops, restaurants, pharmacy, post office, cafes, etc.)

Due to its ideal location and the rich amenities surrounding this property, it can be an ideal solution for housing or as an investment for tourist purposes.
