Istria, Poreč - surroundings

In the surroundings of the city of Poreč, in a settlement that offers all the amenities of a comfortable life, there is this modern building with an elevator and this top-quality penthouse that extends over the entire floor of a total area of

191m².

The penthouse is divided into 2 parts, on one side we have an open space living room with kitchen, dining room, pantry and bathroom with a total area of

69m². The entire space is lit by two glass walls connected to a spacious terrace, which offers a soothing panoramic view of the sea and the place, with the possibility of installing additional content (jacuzzi and summer kitchen).

On the other side, connected by an elegant corridor, there is a sleeping area with 3 bedrooms, 3 bathrooms, all connected to a common terrace ideal for enjoying all year round.

Both roof terraces will have bioclimatic pergolas.

Underfloor heating is installed throughout the apartment along with air
