**Price :** 295.000 €

Istria, Porec

Terraced house in an attractive location, 2 km from the center of Poreč and the sea.

The house has two floors with a total area of

81.25 m<sup>2</sup>.

The ground floor consists of an entrance/wardrobe, a laundry room, a toilet with a connection for a washing machine, a large living room with a kitchen and an open space dining room with an exit to the garden.

The staircase leads to the first floor, where there is a hallway, two bedrooms, each with its own bathroom.

The house will have electric underfloor heating installed in all rooms, and air conditioners will be in the living room and bedrooms.

The house will have about 42 m<sup>2</sup> of garden and one parking space.

Construction will begin at the beginning of 2025, while the planned completion is in the spring of 2026.

While the house is under construction, the buyer can choose the material for interior decoration within a certain budget.

This property is an ideal solution to the housing issue or as an investment.
