Istria, Poreč - sea view surroundings!

This modern and extremely high-quality semi-detached house with a heated pool and a view of the sea, with a total area of

183.21m², is located in a beautiful and sought-after location.

The house is divided into 2 floors.

The ground floor consists of an open living room, kitchen and dining room with large glass walls that are connected to a spacious and covered terrace, a heated pool and a sun deck around it. On this floor there is also a guest toilet, a technical room, a boiler room and an outdoor toilet. Upstairs there are 3 bedrooms with their own bathrooms and exits to the terrace with an unobstructed and soothing view of beautiful sunsets and the sea.

Underfloor heating will be installed throughout the house along with air conditioners for additional heating and cooling.

The villa will be built with extremely high-quality materials and will be sold fully equipped with the custom-made furniture shown in the visualizations.

At this stage, there is a possibility to agree on the final arrangement and the final price with the possibility of buying both houses with great potential for tourism business.

The house is already in an advanced stage of construction, and the complete completion of all works is expected in the middle of 2025.

A phenomenal view of the sea from both floors, the quality of construction and a beautiful location make this house attractive for a perfect family vacation or a year-round stay with the potential for tourist rental.
