Istria, Poreč - surroundings

In a peaceful Istrian village 12km from Vrsar and its well-maintained beaches, this charming stone house with a total living area of

70m2 is located, with a covered terrace of 11m2 and a garage of 36m2.

The house has been completely renovated and is divided into 2 floors.

On the ground floor there is an entrance area that leads to the living room with kitchen and dining area.

On the first floor there is a bedroom with a bathroom.

In the yard we have a garage for a car of 36m2 with the possibility of converting it into a smaller apartment.

In the yard there is also a summer room with a barbecue and an additional toilet and a green part of the garden.

The garden is building land and there is a possibility of building a swimming pool.

A project has been submitted for the installation of solar panels, they are included in this price and will be installed by the owner, which further increases the energy efficiency of the house.

Underfloor heating is installed on the ground floor with an additional wood-burning stove and air conditioning on both floors of this truly interesting Istrian house.
