Istria, Poreč - 800m from the sea

This luxurious modern building with a total of 84 apartments divided into 2 buildings is located in an attractive location in Poreč, only 800m from the sea.

Currently, building "C" is under construction and we offer you apartment C212 on the 2nd floor with a total area of

72.11m² with a beautiful sea view.

The apartment consists of an entrance hall where there is a small storage room with a washing machine. After that, we move into the living room which is lit by a large glass wall through which you can access a pleasant and comfortable terrace with a stunning sea view. Separated from the living room and dining room is the kitchen and 2 bedrooms with exits to the terrace, along with another shared bathroom.

The construction system and high-quality equipment can be found in the following description:

- The facade system contains 15cm thick stone wool
- The apartments will be fitted with three-layer Weitzer parquet (bedrooms and living rooms), and porcelain
