A modern apartment is for sale on the third floor of a new residential-commercial building equipped with an elevator.

The apartment has a net area of 78.98 m² and consists of an entrance hall, two bedrooms, a bright living room with kitchen and dining area, a bathroom, an additional WC, and a covered terrace of 9.31 m², offering a beautiful panoramic sea view.

The apartment also includes two parking spaces.

High-quality materials are used in the construction: PVC joinery with triple glazing, electric shutters and insect screens, air-conditioning units in all rooms, underfloor heating throughout the entire apartment via a heat pump, security and fire-resistant entrance doors, and first-class ceramic tiles.

Completion of construction is planned for March 2027, and the price includes VAT.

The apartment is located only 7 km from Poreč and 2 km from the sea, in a town that offers all essential amenities – school, kindergarten, shops, restaurants and cafés.

An excellent opportunity for living or as a secure investment near the sea and Poreč.
