Located in a peaceful area of Novigrad, just 2 km from the sea and the town center, this modern semi-detached house offers a total living area of 135 m², making it an ideal choice for family living, holidays, or tourist rental investment.

The main residential unit spans 115 m² over two floors. The ground floor comprises an entrance hall, guest toilet, bedroom with en-suite bathroom, storage room, and a spacious open-plan living area combining the kitchen, dining room, and living room. Large glass doors lead to a covered terrace and a beautifully landscaped garden featuring a 24 m² swimming pool, perfect for relaxation and entertaining. A utility/storage room is also located within the garden area.

The first floor features two spacious bedrooms, each with its own bathroom, air conditioning, and private terrace offering pleasant sea views.

An additional 20 m² studio apartment on the ground floor provides excellent flexibility for guests, tourist rentals, or independent living.

The property includes four private parking spaces.

Quality construction, a functional layout, a swimming pool, a separate residential unit, and a desirable location close to all amenities make this property an excellent choice both as a family home and as a profitable investment opportunity.
