The property is spread over three floors, each measuring approximately 130 m². It previously operated successfully as a guesthouse with eight rooms, making it an excellent opportunity for a boutique hotel, apartment rentals, or other tourism-related business.

The ground floor and first floor are currently undergoing renovation, while the top floor is fully finished and ready to move into, featuring two bedrooms, a living room, a kitchen, and a bathroom.

The house is situated on a 824 m² plot, including 614 m² of yard and garden. There is also an option to purchase an additional 1,000 m² building plot located directly behind the property.

With its excellent location, proximity to the sea, and outstanding investment potential, this property is an ideal choice for both tourism and private use.
