Istria, Porec - OPPORTUNITY

Building land of regular shape with an area of

1091m² for sale.

The land is located in an attractive location in a quiet village near the beautiful city of Porec and its beaches.

All infrastructure is located near the plot (electricity, water, sewage).

It is possible to build 1 or 2 housing units on the land, depending on the wishes of investors.

This land is a great opportunity to solve the housing issue or build a luxury holiday home in a truly attractive location near the beautiful city of Porec and all other important facilities in everyday life.

For any additional information feel free to contact us.
