A functional and modern 2.5-room apartment with a net area of 53.55 m² (total net area of the apartment 70.65 m²) is for sale. Located on the first floor of a high-quality building in the Bašarinka neighborhood, just 5 minutes from the center of Poreč and only 2 minutes from beautiful beaches.

The apartment is in the final phase of construction and represents an excellent opportunity for those seeking modern and comfortable living in a peaceful environment, close to nature.

This apartment offers an optimal layout for comfortable living. It consists of two bedrooms, a bathroom, a kitchen, and a living room with access to a terrace. The apartment also includes a spacious rooftop terrace of 54 m², with a beautiful view of nature. The southern orientation ensures plenty of natural light throughout the day, which further contributes to the feeling of airiness and warmth of the space.

The apartment is equipped with a MITSUBISHI ELECTRIC multi-split system – underfloor heating as well as heating and cooling via ceiling ducted air conditioning. The entire building features ALU joinery by the manufacturer CORTIZO and electric ALU blinds from the renowned manufacturer ROLTEK. The apartment is sold fully furnished with custom-made furniture and ready for move-in, and will be equipped with appliances from the SIEMENS brand in the kitchen, JETTE JOOP beds, a HUKLA seating set, while the bathroom furniture and sanitary ware will be from the brands LAUFEN, HANSGROHE, and NEORO.

In addition, the apartment includes a storage room outside the building – a quality garden house by HÖRMANN and 2 parking spaces in ownership.
