In a quiet neighborhood near Umag, a modern apartment measuring 79 m² is for sale, located on the second floor of a small residential building with a total of four housing units. Thanks to its excellent location and quality room layout, the property is an excellent choice for family life, vacation, or as an investment for tourist rentals.

The apartment is designed to provide maximum functionality and comfort. It consists of an entrance hallway, a spacious living room connected to the kitchen and dining area in an open-space concept with a total area of approximately 30 m², three bedrooms, a modern bathroom, and an additional separate toilet.

A special value of this property is the covered terrace of 22 m², ideal for enjoying the outdoors all year round, whether for morning coffee, gatherings, or relaxation.

The apartment comes with two parking spaces, providing future owners with additional convenience and comfort.

The property is located in an attractive location, just a few minutes' drive from the sea and well-kept beaches, in close proximity to the center of Umag and the Slovenian border. All necessary facilities for quality everyday life, including shops, restaurants, a school, a kindergarten, and other services, are available nearby.

The planned completion of construction and move-in is expected in August 2026, which gives buyers the opportunity for timely purchase of quality new construction in a sought-after location.

If you are looking for a modern apartment near the sea that offers comfort, a
