For sale is a renovated family house with a total living area of 173 m², located on a plot of 342 m² in a quiet neighborhood near Umag.

The house consists of two separate living units, each with its own entrance, allowing for use by two families or a combination of living and tourist rental.

It was renovated in 2021. The ground floor features an apartment comprising a living room with a kitchen and dining area, two bedrooms, and a bathroom. Upstairs is the second apartment with an open-concept living room, kitchen, and dining area, two bedrooms, a bathroom, and a terrace.

The yard is fully enclosed and landscaped, including a pool, terrace, and parking space for two cars.

The house is sold on a "turnkey" basis, fully furnished and equipped, with all furniture and appliances included in the price. Everything has been recently renewed, serviced, or newly purchased, allowing the future owner to move in immediately or continue a successful tourist rental business without additional investments.

The property is located in a quiet environment of family houses, approximately 5 km from the center of Umag and 6 km from the sea and beaches.

Due to the layout of the rooms, the two separate living units, and the fact that it is sold fully equipped and ready for use, the house represents an excellent opportunity as a family home, holiday house, or investment for tourist rental.
